

FIG.1

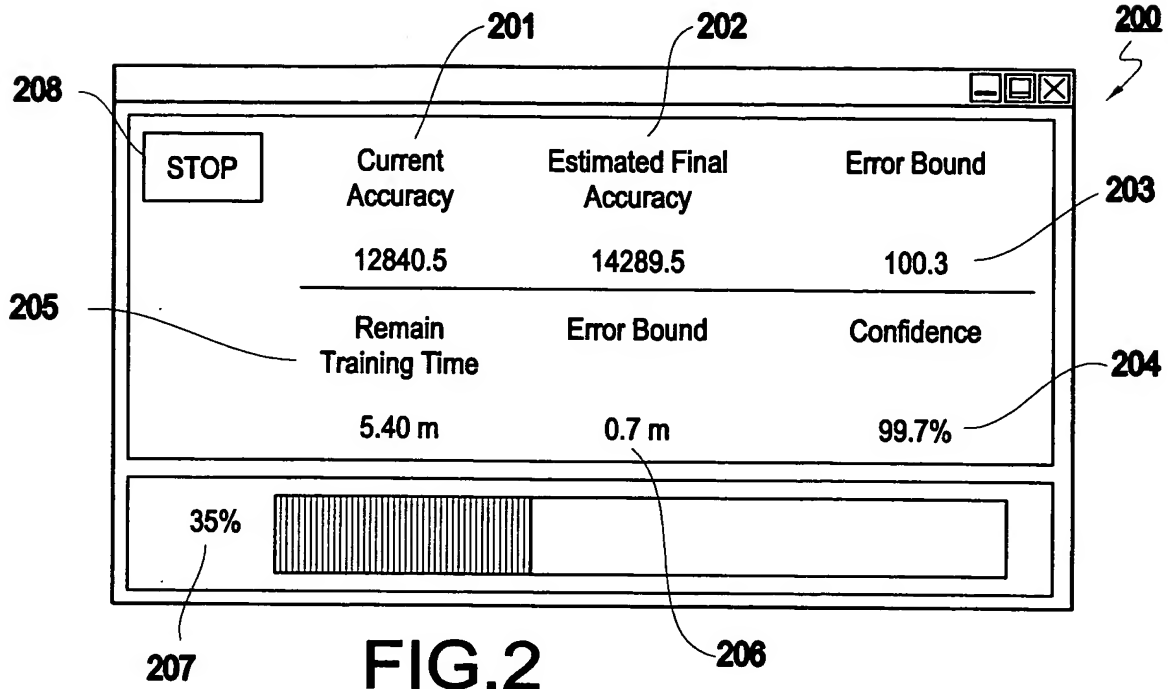

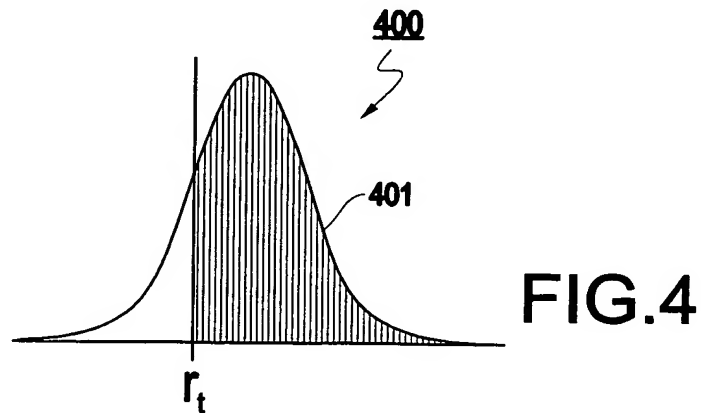

FIG. 3 is a confusion matrix table 300. The table has two rows for 'Actual' status and two columns for 'Prediction' status. The cells contain the following values:

Actual \ Prediction	Individual "will donate"	Individual "will not donate"
Individual "donates"	$Y(x) - \$0.68$	0
Individual "does not donate"	$-\$0.68$	0

The labels 301, 302, 303, 304, 305, and 306 point to the table structure and its components.
